SKAGEN has a wide range of practical and spacious sideboards and cabinets. Sideboards are available in 3 lengths where one can insert drawers where you want.

The cabinets have 3 different heights and 3 different widths. All doors and drawers are soft-close fittings. Optionally available glass cabinets with interior lighting surcharge.

Sofa tables are available in 2 sizes in 2 heights, with drawer and possibly with adjustable lower shelf. Simple bar table in 2 sizes supplied in bar table height, dining table height and sofa table height. TV benches we have as short and tall or long and low. For the long TV unit can be also a TV panel if desired. Dining tables have 4 variations. The most selling is 180x100 cm, split down the middle and when you pull it out it can be extended by 2 Butterfly plates, each 50 cm.

Is the table still too small, it can further be extended by one or two end-well plates, also they are 50 cm. So the table can be extended from 180 to 380 cm depending on the needs.

If you want a full dining table plate, we deliver it in 2 sizes 160x95 and 220x95 cm, both with an additional plate that can be stored in the drawer. Skagen entire series is in solid Wild Oak and can be delivered in 5 oil colors and untreated for those who want to treat the furniture in another color or another way.

SKAGEN har et bredt utvalg av praktiske og romslige skjenker og skap. Skjenkene leveres i 3 lengder hvor man kan sette inn skufferader der man ønsker.

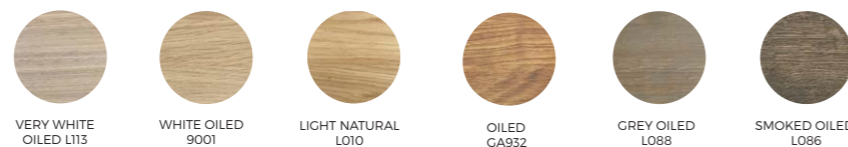

Skapene har 2 forskjellige høyder og 3 forskjellige bredder. Alle dører og skuffer har Soft-close beslag. Om ønskelig leveres glass-skapene med innvendig belysning mot et pristillegg.

Sofabordene leveres i 2 størrelser med skuff og med regulerbar underhyll. Enkle barbord i 2 størrelser leveres i barbordhøyde.

TV-benkene har vi som kort og høy eller lang og lav. Spisebordene har 2 varianter. Det mest solgte er 180x100 cm, delt på midten og når man trekker det ut kan det utvides med 2 Butterfly plater, hver på 50 cm. Er bordet fortsatt for lite, kan det ytterligere forlenges med en eller to ende-tilleggsplater, også de er 50 cm. På enkel måte kan bordet da forlenges fra 180 til 380 cm om man har behov. Også her kan man skjøte på med tilleggsplater på enden.

Ønsker man et enda større bord, leverer vi også spisebord på 220x100 cm som kan utvides med inntil 6 tilleggsplater. Da blir bordet hele 502 cm langt. Inntil 6 plater kan oppbevares i bordet.

Hele Skagen-serien er i heltre Villeik og fås oljebehandlet i 6 farger samt ubehandlet for de som ønsker å behandle møbelet i en annen farge eller på en annen måte.
